

Grba Puhtejeva

Grba Puhtejeva is a specialized residential development in Ljubljana intended to include 30 apartment units. Due to the specifically targeted buyers, the apartments are planned and adapted for the elderly and disabled people. In addition, a 24-hour medical assistance service is intended, as well as a food delivery, cleaning and other similar services.

The apartment building with its surroundings will create an atmosphere of independent living that the elderly can truly enjoy. The building permission is expected to be obtained in 2009 and the construction is expected to be completed in 2010.
